The Joint Library Committee, consisting of representatives from Truro Town Council and County of Colchester Council, toured the two proposed sites for a new Library last night.

L & R Construction has submitted a proposal to redevelop the old Normal College and the Snook Group has submitted a proposal to redevelop the Old Hat Factory. The Joint Library Committee has previously reviewed the proposals and heard presentations from both of the developers as to the merits of their proposals.

The next meeting of the Joint Library Committee will be Wednesday, September 4<sup>th</sup>, 2013.
