**Last Chance for Curbside Leaf Pick-Up**

**Truro** – As the season is approaching its end, the final day for regularly scheduled curbside leaf pick-up will be Friday, December 2<sup>nd</sup>.

Over the past five weeks, the Town of Truro departments of Parks, Recreation and Culture and Public Works have collected approximately 2,000 bags of gathered leaves from homes throughout Truro.

*“We appreciate the cooperation from town residents,”* says Doug MacKenzie, Director of Parks, Recreation and Culture. *“Having fewer leaves on the ground helps to minimize flooding caused by the clogging of our storm drains.”*

Starting Monday, December 5<sup>th</sup>, if you have additional bags of leaves that need to be collected, please contact Town of Truro Public Works at 902-895-4243 to request a pick-up. Staff will do their best to accommodate your request in a reasonable timeframe.
