Truro's Civic Square Nominated for Great Places in Canada Award

A great public space enhances a community and invites people to visit and socialize. It serves as a community hub and provides for a variety of activities. Truro's Civic Square has been recognized as one of Canada's great public spaces and has been nominated to receive the Great Places in Canada award!

Truro's Civic Square was developed in 2016 after the demolition of the former Colchester East Hants Public Library. It serves as a central gathering place in the heart of downtown Truro while also bringing together the new Public Library, Truro Farmers' Market, and the Colchester Historeum.
