

TRURO Heritage AWARDS

The award is established to acknowledge, encourage and celebrate conservation and harmonious development in the Town of Truro with respect to its built heritage. The award may be given annually for a project reviewed by the Truro Heritage Advisory Committee.

Criteria

That the project helps to conserve and enhance Truro's built heritage, including individual properties, streetscape and townscapes.

That consideration be given to preservation, reconstruction, restoration, adaptation, additions, construction and overall site development which are sympathetic to the site and its context.

That the project demonstrates a commitment to the quality of outcome in terms of aesthetics, design and workmanship.
