On motion of Councillor W. Talbot and Deputy Mayor T. Chisholm, the minutes from the November 28th, 2019 meeting were approved as circulated. Motion carried.

3. **Victoria Park Plan Briefing – Ashley Simms**

Director of Parks, Recreation & Culture A. Simms provided an overview to Council on three (3) plans relating to Victoria Park, those being the 2014 Victoria Park Master Plan, the Victoria Park Culture Resource Study and the 2014 Botanical Study of Victoria Park. The completed action items, modified action items and incomplete action items of each plan were reviewed. Some of the items that were modified or remain incomplete are due to PRC not having the resources and expertise or require budget consideration.

It was suggested that we look at government programs for funding and/or grants (i.e. Mines & Energy) to assist with incomplete items.

The presentation will be sent electronically to Council for reference.

4. **Adjournment**

There being no further business, the meeting was adjourned at approximately 5:50 p.m.
